Approval: Membership application will be taken to the board for SEA Index approval. The SEA Index team will contact you to confirm that your application has been approved. On a confidential basis, you will also have more information about the membership fee as a contribution to our non-profit association.

Name(s) of your superyacht submitted for rating to the SEA Index calculator online :

  
  
  
  

By signing below, you accept that the information given above will be used by the SEA Index Association in respect of GDPR terms.

By signing the membership, I accept as a member, to respect the commitments of the association for my membership period on:

- Participating to the data collection of yachts to implement the base line of the SEA Index formula, and extended to other sustainability areas to become a multi-faceted index
- Attend all events organized by the SEA Index to increase the awareness of the impact of CO2 emissions on the oceans
- Promote the Sea Index to your clients, contacts and professionals.
